Dear Friends in Christ,

Thanks for all of your prayers on behalf of Ireland and our pre-field activities. This letter is a little later in the month than usual, partly because of the holidays and the lack of meetings during that time. It is also late because we have spent much of the end of December and the beginning of January getting our home ready to list with a realtor. This was a daunting task, but an evidence of Gods provision in that we were able to get all the needed repairs and cleaning done. One prayer request therefore is for the sale of our home, we are still by faith preparing for a summer departure to the field.

We have had the chance to be in two churches during the month of January despite the weather. One of these churches was in Clark Fork, Idaho. This is a beautiful area, with very friendly people. Even though it snowed all day we were still able to speak both in Sunday School and evening service. Our schedule also included a Missions conference in the Puyallup Community Baptist Church (South of Seattle). We were given several opportunities to present our vision for Ireland, and enjoyed making personal contacts with several who had a special interest in this land.

Pray for safety and wisdom as we travel (our February schedule is as follows):

February 6 - Calvary Baptist Church (Burley, ID)

February 13 - Columbia Heights Baptist building dedication (Boise, ID)

February 20 - Berean Baptist Church (Idaho Falls, ID)

February 23 - Whitney Baptist Church for Awana (Boise, ID)

Feb. 27- Mar. 1- Grace Baptist (Pendleton, OR - Missions Conference)

Pray for the health and vitality of the existing Baptist Churches in Ireland and for God to raise up more ABWE Ireland team members.

In Him,

Dean & Julia Langley
