

March 28, 2004

Dear Prayer Partners,

If you received our last communication, (the hard copy kind) you know that we had several meetings and conferences planned over February and March. As you have prayed we have been blessed by participating in each one of these events. We have made lots of new friends, received instruction & encouragement while seeing our prayer and financial support team grow (financial support additions include four individuals and one church).

PRAY THAT WE WOULD CONTINUE TO HAVE A FULL SCHEDULE OF MEETINGS. Openings remain in May, June, and July. More specifically that God would give wisdom in planning where to go, so that we might make the wisest use of our time in serving.

PRAY ALSO FOR ABSORBANT MINDS as we attend the ABWE Field Preparation Seminar this next month. We are thankful for this resource and want to make the most of the opportunity.

PRAY TOO FOR THE TIMING OF THE SALE OF OUR HOUSE. It has been on the market since January and we have had luke-warm interest to date. We are grateful to be able to stay in our home for now, but know that we need to sell and be done with all that is involved regarding the closing before leaving for Ireland (we are still trusting for this late summer or fall).

OUR SCHEDULE FOR THE NEXT FEW WEEKS:

March 31- April 2 - Speaking at Northwest Baptist Seminary Chapel & attending NARBC Regional Meetings (Tacoma & Ferndale. WA)

April 3 - Faithline Baptist Church (Milton-Freewater, Oregon)

April 10 - Baptist Community Church (Afton, Wyoming)

April 13-26 - Field Prep Seminar (ABWE headquarters in Harrisburg, PA and make contact with supporters from the Eastern Region)

Thankful to Him for You,  
Dean & Julia Langley  
(Psalm 4:3)
