

Dear Friends,

God is such a great provider. Sometimes the way the Lord provides surprises us, but we are reminded that His person and presence with us is the bountiful supply. Because you are praying, we are eager to relay some of the recent provision during this home assignment year.

Over the span of three Sundays (February 21 - March 7) the Boise, Idaho Valley Missions Conference (linking nine churches) allowed us 18 formal opportunities (numerous informal ones) to tell of God's working in the Irish church. We are thankful that so many have extended a welcome to us, such that there are few open weekends remaining in our spring - summer schedule. Please continue praying over our wisdom, ability and safety in using our time and travel; soon our paths will route through much of the intermountain West.

The Nenagh Baptist Church in County Tipperary continues to take encouragement from recent expressions of spiritual hunger, and also a couple expressing trust through a February marriage. Thursdays mornings there are a highlight each week, as unique combinations of people turn out at 'The Hatchery' (the building name for their storefront location) for coffee, tea and conversation. A Sunday School room has been fashioned out of an existing storage area, and the sound system in the meeting hall now accommodates the hearing-impaired.

We have some incredibly faithful supporters and are thankful for each of you. Between new increased requirements for our 2011 return and a loss of some previous support; our monthly need now stands at nearly \$1,500. Pray this will come in as we hope to have financial clearance (from ABWE) and return to Ireland this next January.

There is a short DVD (available by request) detailing our past four years in Ireland, and what God is doing there. We would be happy to send this to complement what you have been reading in these written sends. Our ABWE account number is 013275, and you will find support links at the www.abwe.org website. ABWE's postal address is P.O. Box 8585, Harrisburg, PA 17105-8585
